Product Information

SMO-Sunbelt Multi-Option Hanger

Sunbelt Stud Welding, Inc.

Your complete source for stud welding products and service.

The Sunbelt Multi-Option Hanger is a versatile solution for mounting cables, cable tray/channel and pneumatic tubing quickly and securely. The SMO has both vertical slots and horizontal holes, giving flexibility for use in a variety of applications.

The SS-316 SMO is available in 2", 3", 4", 6" and 8" lengths. It easily installs onto a 3/8" or M10 diameter weld stud.

Here is a list of the multiple options and advantages of this versatile hanger:

- ✚ Ability to secure different cable/tubing (with STS) diameters to the same hanger.
- ✚ Secures cable tray/channel with 1/4-20 bolts/nuts.
- ✚ Secures tray for pneumatic tubing with 1/4-20 bolts/nuts.
- ✚ Less inventory = less cost
- ✚ Neat appearance
- ✚ Secure application

Sunbelt Stud Welding, Inc. manufactures and stocks the SMO in Houston, Texas.

If you would like more information on the SMO, please contact one of our sales representatives.
