

PRO*WELD™

By Nelson Fastener Systems

Table Welder

- Perfect for welding sheet metal with CD studs, headed anchors or anything in between!
 - Compatible with ProWeld™ and Nelson® stud welders
 - Includes pneumatic slide and valves for controlling the weld gun motion
 - Programmable micro controller automates the welding sequence
 - Great for CD*, Short Cycle and Drawn Arc weld processes
 - Modular aluminum structural framing allows infinite adjustability
 - Table top design for tool mounting and positioning parts (*tooling not included*)
- *Can be setup for gas welding; includes an internal valve & timing device*
 - *Additional air-timed output that can be used for an air clamp*

**CD unit does not include legs or pneumatic slide*

WEIGHT & DIMENSIONS

DIMENSIONS	WEIGHT
34"h x 26"w x 24.5"d	300 lbs.

*Simple.
Efficient.
Durable.*
